

Mileeven Fine Foods

Mileeven Fine Foods was established in 1988 by Eilis Gough from a hobby of beekeeping. Pure Irish honey was our first product and still remains an integral part of our product offering today. Now run by Eilis and her daughter Sarah, Mileeven Fine Foods continue to offer exciting new, high quality products to our customers. Our range includes Organic Honey. Single source honeys like Manuka 10+ and Manuka 15+. Organic Preserves, Fruit Cakes, Christmas Puddings, brandy butter and cranberry & port sauce

We now supply worldwide and our products are stocked in renowned stores like Harrods and Miss Selfridges. We also supply award winning chef, Neven Maguire. The awards that we have received over the years confirm our quality and innovation

Gift Range

This range is ideal as a gift or part of a hamper. Available in gourmet stores and internationally the "Irishness", quality and differentiation are the real selling points.

The delightful Pure Irish Honey is part of this very special range and the real gem of Mileeven. Unfortunately scarce enough, thanks to the Irish climate, its flavour is delicately charming and seeped in tradition, a real Sunday treat.

The honey with Irish Cream Liqueur gained its gold medal for its creamy flavour and texture unique to Mileeven. Both the honey and Jameson and Honey and Irish Mist have robust flavours ideal for baking or glazing.
