Australian Visa Specialists offer visa services to people hoping to relocate 'down under' on a temporary or permanent basis

Australian Visa Specialists have been providing services to clients since 1999 based from Australia and since 2001 from Ireland, based at Naas, Co Kildare. Australian Visa Specialists is managed by Liz O'Hagan, an Australian Registered Migration Agent (MARN 9902776) with Australian & Irish citizenship. Liz is supported by Australian Registered Migration Agents in Ireland, UK and Australia. Australian Visa Specialists will only sign clients where it is believed that there is a strong chance of a favourable outcome and has an excellent track record on first time application grants

Fees are agreed on a case by case basis depending on the visa category and case variation. All enquiries are provided with a fixed fee proposal outlining charges and services prior to exchanging any service contracts. All professional fees are paid in stages as the application progresses

Liz O'Hagan is known for her professional and personable approach. Her clients like working with an Australian who has lived in Ireland for a number of years thus understanding why they want to immigrate

We recognise that the needs of each client are different. We formulate a package to suit your individual circumstances and budget. Our Service fees are based on your requirements and are **FIXED** and **AGREED** in advance.

Some of their services include:

Offer consultations to applicants (either online or over the telephone) who are seeking a SKILLED visa for Australia.

Encourage all prospective visa applicants to meet with their Australian Registered Migration Agents for consultation at their offices in Naas, Co Kildare. For a face to face consultation we charge a nominal consultation fee.

Comprehensive Visa Application Service

Australian Visa Specialists will prepare and lodge your application according to current legislation. We issue you with complete instructions and advice on all documents required.
