

## T2

T2 are one of Ireland's leading web design and development companies in Dublin and Carlow providing solutions to over 150 customers across a wide range of industries. T2 have won many prestigious awards for Web design and development over the past three years and in turn have built an enviable reputation as providers of high quality web strategies

### **Optimise your Web Activity**

Founded in 2004, we pride ourselves on highly qualified, efficient staff dedicated to ensuring optimal customer satisfaction. T2 draws on extensive project management experience to ensure that the projects are delivered on time and within budget

### **Work with Experts**

As web developers T2 offers an extensive range of services from conception, through to design and development and finally to customisation, full implementation and hosting

### **Web Strategy – Not just Development!**

Internet marketing, E Commerce, Mobile computing, Cloud Computing – not just buzz words – but critical technologies that continue to expand at a rapid pace as more and more businesses realise the importance of developing a complete web 'strategy'
